Federal regulations require everyone to wear a mask on the school bus and public transportation. We have given the bus company some masks to get the year started and they will be buying some as well. Students riding the bus should bring a mask. Some students take a mask in the morning and another one to ride home. This just isn't sustainable. Most of the schools have washable cloth masks that were given to us last year for students. If you need one or two for your child to wear, please reach out to your school nurse.
