Coincide

v. to happen at the same time.

It wasn't until after I booked my ticket that I realized the concert coincided with my finals.

In 1929, "Black Thursday" started the stock market crash, and Dow Jones was down 12.8%.

In 1962, the Cuban Missile Crisis: Soviet ships approached but stopped short of the US blockade of Cuba.

In 2008, "Bloody Friday" saw many of the world's stock exchanges experience the worst historical declines, dropping around 10% in most indices.
