**Red Ribbon Week** takes place annually from October 23-31<sup>st</sup> and is the country's oldest and largest drug prevention initiative. It was created in 1985 after the death of Drug Enforcement Agent (DEA) Enrique “Kiki” Camarena, who was murdered by drug traffickers that he was investigating in Mexico. During this week, people wear ribbons to recognize the sacrifice of these agents and the thousands of people who lose their lives to substance misuse every year. Red Ribbon Week is a way for people and communities to unite, take a visible stand against drugs, and show a commitment to a drug-free lifestyle through the symbol of the Red Ribbon.

**This year, WHS is celebrating Red Ribbon Week with a treasure hunt.**

There have been 10 Red Ribbons hidden in various locations throughout the school. If you find a ribbon, please return it to Mr. Mitchell for your choice of a \$10 gift card! The last day to turn in a ribbon is Halloween day, Tuesday the 31<sup>st</sup>!
