

# Healthcare CAREER EXPO

*Join us!*

Thursday, May 9, 2024  
11:30am - 1:30pm  
Auditoriums A-D  
DHMC  
Lebanon, NH

## Discover your future at Dartmouth Health!

### Who should attend?

Come learn about careers in healthcare through hands on experiences. We invite high school students, parents and educators to join us for this **new** special session of our annual healthcare career exploration event!

### Explore the possibilities!

From job openings, to paid training programs and continued education and advancement opportunities, come learn about what the future can hold for you at Dartmouth Health.

- » Take part in hands on health career demonstrations
- » Meet current Dartmouth Health employees and learn about different healthcare fields
- » Learn about educational opportunities after high school to launch your healthcare career at little to no cost
- » Get information about the Workforce Readiness Institute's paid training programs, including: Licensed Nurse Assistant, Medical Assistant, Phlebotomist, Pharmacy Technician, Ophthalmic Assistant and Surgical Technologist.

### High School Students!
