SAT Word of the Week

Ephemeral

Adjective. Lasting for a very short time. The beauty of the sunset was ephemeral, disappearing as quickly as it had appeared.

TODAY IN HISTORY

On this day in 1809, Abraham Lincoln, the 16th President of the United States, was born in a log cabin in Kentucky. His leadership during the Civil War and the signing of the Emancipation Proclamation helped shape the nation. In 1909, the NAACP (National Association for the Advancement of Colored People) was founded, playing a crucial role in the fight for civil rights in America. And in 1999, the U.S. Senate acquitted President Bill Clinton in his impeachment trial, marking a historic moment in American politics.
