

Woodsville High School Scholarship Directory

This scholarship directory has been created to help students and parents seek funds for undergraduate study. It lists scholarships with many different eligibility criteria that can be used for 2-year colleges, 4-year colleges, and vocational programs.

Scholarships can change from year to year so you will need to take the initiative to look them up ASAP to see what the process and deadline is this year. The information listed is not guaranteed to be accurate.

Listings will state the eligibility criteria and the application process to the best of our knowledge. Many scholarship applications are on-line or do not arrive in the guidance office until the deadline approaches. Students are held responsible for seeking the application materials, checking for any changes to deadlines and completing the application process before the deadline. Please note that for a number of local scholarships, students are not allowed to apply, but are selected by WHS faculty and community members based on the various merits that they have displayed throughout high school.
